ASCSA Event - "Meet-ups" for CS Singles from across the USA & Beyond

during and after the Annual Meeting 2024 in Boston

ASCSA will be sponsoring a few "Meet-ups" for Christian Science singles during and after the Annual Meeting of The Mother Church 2024 in Boston, Massachusetts. www.christianscience.com/additional-resources/annual-meeting

A group of us will sit together during the Annual Meeting then proceed to a nearby restaurant for some heart-felt fellowship. If you plan to sit elsewhere during the Annual Meeting, you are welcome to join us afterwards for dinner and bring your family or friends you may be sitting with. All are welcome!

We will be making periodic updates to this "meet up" schedule as the Annual Meeting approaches (*see other possible meet-up(s) below).

He included some of his eight hymns that are in the new hymnal after the concert. Then he joined our singles group in a "fireside chat." Watch for this year's updates. www.andrewdbrewis.com
